**UPDATE:** Petition letters are still being sent to NJ Senator James W. Holzapfel. We have heard from the Senator's office, and they are waiting for members of the Township Council to do a site evaluation in the coming weeks. We hope the local support will influence the State Transportation Department's decision to remedy this dangerous area of Rte. 70. If you haven't signed the letter we have prepared, you can still stop in the office and do so. I will continue to forward all letters to Senator Holzapfel.
